Candidacy Statement

Why would you like to serve on the Board of Directors?

My belief in community service

Please list previous board position and/ or experience:

Creek Valley HOA board member, Treasurer, Vice President,

Issues you feel need to be addressed by the Board of Directors in your community:

Members participation is lacking- how to get members get engaged in matters affecting their neighborhoods should be a priority. I would prefer others participate and join the board rather

than having members like me stay in the board for over 10 years now. I am signing up out of concern no one is stepping up to serve. If others are willing, I would step side and serve in other roles than being a board member.
